

CRASHES INTO BUGGY AND SPEEDS AWAY; LATER IS ARRESTED

After crashing into a buggy at the corner of Thirteenth and Van Buren streets, and knocking its occupants, Pedro Flores, his wife and baby to the ground, E. W. Brett, a student at the University of Arizona, sped on in the automobile he was driving without stopping to ascertain the nature of the injuries sustained by the victims of his recklessness, according to reports of witnesses given to the police yesterday.

When the accident was reported to the police station Chief of Police Bristol hurried to the scene where he found several witnesses had taken the number of the offending automobile and were positive in their statements that Brett was driving at an excessive rate of speed. Dr. Brockway gave medical attention to the mother and baby who had been hurled from the buggy and reported that although the injuries sustained were painful, they were not of a serious nature.

Chief Bristol traced the ownership of the automobile and found it had been secured by Brett from a local real estate company. It was learned that Brett had the damage to the car repaired at Tempe. He was placed under arrest when he returned to Phoenix several hours later and immediately turned over to the county to face a felony charge. Under the state statutes it is a felony for a motorist to leave the scene of an accident in which he is involved, without reporting it to the proper authorities.

A Ford car caused a double accident when it struck a horse and buggy at Madison street and Central avenue yesterday morning. The horse became frightened at the collision and bolted north on Central avenue, throwing a boy occupant of the buggy to the ground. He escaped uninjured. The runaway horse was brought to a halt at the corner of Central avenue and Adams street when it collided with an automobile driven by E. L. McDibbitt.

The sun was blamed for an automobile accident at the corner of Fourth and Washington streets about 10 o'clock yesterday morning. A heavily loaded motor truck driven by Ray Clay crashed into a Ford car belonging to the Chevrolet garage. The Ford was hurled about 50 feet and both the rear wheels were broken completely off. The driver of the Ford strangely escaped injury. Clay said he was blinded by the rays of the sun and did not see the Ford.

PLANS TO EXTEND ADVERTISING SERVICE

Art Houston of the Houston Advertising Service company of Los Angeles, whose service is used by the Western Machinery company of Arizona and California, is in Phoenix with Hal Lanfair, a commercial artist of Los Angeles, for the purpose of photographing the principal installations of Western engines and Lays and Bowler pumps in this field. All the districts in which branches are located will be visited. While here Mr. Houston will also discuss and look into service plans. It is his first visit here in two years, and during that time his firm's business in this region has increased 1,000 per cent. He now plans to enlarge his advertising and service plans to take care of the enormously increased business.

BRINGING UP FATHER

International Bible School Lesson For Sunday, December 28

REV. W. S. BUCHANAN

Review—The Training of Peter and John.
Golden Text—"Ye shall be my witnesses." Acts 1:8.

Lesson reference—1 John 1:1-9.
1. That which was from the beginning, that which we have heard, that which we have seen with our eyes, that which we beheld and our hands handled, concerning the Word of life, 2. (and the life was manifested and we have seen, and bear witness, and declare unto you the life, the eternal life, which was with the Father, and was manifested unto us); 3. that which we have seen and heard declare we unto you also, that ye also may have fellowship with us; yet, and our fellowship is with the Father and with his Son Jesus Christ; 4. and these things we write, that our joy may be made full. 5. And this is the message which we have heard from him and announce unto you, that God is in the light, and in him is no darkness at all. 6. If we say that we have fellowship with him and walk in the darkness, we lie, and do not the Truth; 7. but if we walk in the light, as he is in the light, we have fellowship with another and the blood of Jesus his Son cleanseth us from all sin. 8. If we say that we have no sin, we deceive ourselves, and the truth is not in us. 9. If we confess our sins, he is faithful and righteous to forgive us our sins, and to cleanse us from all unrighteousness.

Central Facts
Lesson 1.—John and Peter, with John the Baptist, recognized Jesus as the Lamb of God, that taketh away the Sin of the world.

Lesson 2.—Peter, Andrew, James and John received from Jesus the great Evangelizing order to become fishers of men.

Lesson 3.—Jesus made himself a blessing not only in the house of Simon, but throughout the city in which Simon lived.

Lesson 4.—Jesus walked to the disciples over the troubled sea and convinced them that he was of a truth the Son of God.

Lesson 5.—Through Jeremiah, Jehovah admonished the people of Judah to follow the example of the Rechabites in living a temperate life.

Lesson 6.—Peter confessed Christ as the Son of the Living God, and thus revealed the foundational truth of the Church for all time.

Lesson 7.—Christ was transfigured in the presence of Peter, James and John, typifying the change that his presence makes in the hearts of all men.

Lesson 8.—Christ's rebuke of his disciples' discussion among themselves shows that selfish ambition has no place in His Kingdom.

Lesson 9.—By washing the feet of his disciples our Lord taught Peter a needed lesson in humility, that his presence makes in the hearts of all men.

Lesson 10.—Christ suffering in the Garden, showed his desire for human sympathy as well as divine aid. And also showed that when God gives a command, even if we have to shed our blood in carrying out the command.

God will never change his command to suit our desires. All of God's commands are to be obeyed.
Lesson 11.—At the trial and on the threshold of the Crucifixion of Jesus, Peter denied his Lord three times, because he lost sight of Jesus. Moral: keep your eye on the Christ.
Lesson 12.—Jesus arose from the dead, appeared unto the women, then to Mary Magdalene, and unto the disciples, and unto five hundred of the brethren at once. Through his death, burial and resurrection he made it possible for all men of every nation to be saved.

Training His Disciples
"Follow Me," said Jesus. He said it to Simon and Andrew and James and John, the two pairs of brothers fishing on the Sea of Galilee. Once a school master was giving a singing lesson and the voices of all save one, who said he could not sing, were ascending the scale. The teacher stopped the others and asked the lad to take the notes with him and as the teacher sounded them the lad's voice rose in perfect pitch until it reached the top of C. So Jesus dealt with the disciples. "Follow Me," he said, and in following him they learned to rise to a higher scale in life than they had ever dreamed of. Along the paths of humility and sympathy and love and service they followed, till they could do what Jesus promised they should do when he said, "I will make you to be come fishers of men." Follow me, sums up the Christian life: the one thing needful is to hear Jesus' words, see his example, and follow him. Following Jesus means personal faith to him and lifelong obedience to his will.—Tarbell.

ODD FELLOWS
The second degree was conferred on five candidates at the last meeting, last Tuesday night. The third degree will be conferred at the regular meeting next Tuesday night. A committee was appointed to confer with a similar committee from the Rebekah lodge with a view to having a joint installation of the new officers of both lodges. A suggestion was also made that some plans should be made for some fitting celebration of the completion of the new Odd Fellows hall. It is probable that this will be completed some time in January.

"I have been at times, it seems, almost at the gates of Hell in order to get a grasp on the situation. I have come back with the conviction that unless America—great, benevolent America is ready to respond to the cry of Armenia there will be no other relief for them."—Dr. James L. Barton, chairman of the Near East Relief.—Adv.

Our flag must go forward. It is going forward to fight another battle—a battle for humanity. Join in the Near East Relief.—Adv. 11

"Shimie Town." No, that is not a new sobriquet for Phoenix or any other city, but only a new dance number of Victor records which is winning a much favor. The number is one of a number of new Victor dances that are in demand, while its companion air "Tulip Time" is another.
One of the sweetest romantic airs ever transferred to a record is "Reinhold Werrenath's 'Molly,' an Irish love song. In the same class is Lambert Murphy's "Sell Me."
"The Deluge," one of Zimballer's greatest violin melodies, is admirably rendered in Victor records. In the grand opera list of records one of the most popular numbers in Caruso's famous "On With the Play," the exquisite lament of Cano from "Pagliacci."

RUNAWAY GIRLS

Each year sees the tossing of the names of nearly 70,000 girls of this country into the caldron of the missing.
This is astounding, but we have the word of a National Travelers' Aid society for its accuracy.
These girls either run away from home, lured by matrimonial advertisements, or the bright lights of a city, or they vanish from sight suddenly, completely.
Federal authorities, on the story of a girl lured by a matrimonial ad to New York, recently traced advertisements to a far western city. They were found names and addresses of 80,000 girls, white and black.
To remedy this terrible condition the National Travelers' Aid society is to hold a special meeting in New York. The hopes and the prayers of every father and mother in the world will be at that meeting. Something must be done to make this nation safe, not only for democracy, but for the people as well.

6 o'clock, Saturday excepted. Come, everybody welcome.

MENTAL SCIENCE

Mental Science—The third annual Advanced Thought convention will assemble at College hall, 327 North Tenth avenue to deliberate and unfold more of man's power of attainment, here and now—on Saturday, December 28, at 3 p. m. All interested all specially invited to attend and take part. Seats free. Good speakers will be on hand. Evening session at 8 p. m.

MISCELLANEOUS

Wilson school Union service—An old fashioned gospel service will be held at the Wilson school Sunday afternoon at 4 o'clock. Rev. Mead M. Bledsoe will bring the message.

PHONOGRAPH NOTES

Columbia
Grand opera, ball selections, dance numbers, jazz, and otherwise, touching popular airs and unique novelty numbers—all are contained in new Columbia records, both those already arrived and those now en route to Phoenix.
In "I Wanna Go Back to Dear Old Mother's Knee" Irving and Jack Kaufman have produced a tender song that is already numbered among popular favorites. Also popular is "I've Got My Captain Working For Me Now," a song to delight the heart of any doughty.
Among recent violin numbers for Columbia Sascha Jacobsen's brilliant "serenade" from Les Mollines d'Arlesquin is proving a favorite. In the dance numbers two of the leaders are the "Taxi" fox trot and the "Cleo" one step.
Edison
Two songs by Arthur Middleton on Edison records are proving to be as much a success among Edison owners as the musical star himself is among operators. They are "Come to Me" and "My Heart Is With the Loving Ones at Home," both rendered in inimitable style. The two Middleton numbers are but two of the many Edison songs which are becoming general favorites, however.
One of the most popular of novelty numbers in recent Edison records is "The Nightingale and the Frog," a peculiarly charming melody in which a piccolo and a bassoon carry the air.
The new and popular marches by Creator's hand are included in new arrivals of Edison records—Songs of Uncle Sam and American Aviation March. Marie Rappold's rendering of "Smiles," an air that reigned supreme more than a year ago, is by Billy Murray, while the latest air by Billy Murray, "Further It Is From Tipperary," is fast finding friends.
